Sir,

Sub: "Grow More Food" campaign - Execution of small schemes - Coimbatore District - Kollegal Taluk-Uduthorahalla Scheme-Medical aid to the labourers.

In connection with the execution of the Uduthorahalla scheme, the Surgeon General was requested to authorise the District Medical Officer, Coimbatore to depute the Doctor at Kowdhahalli to visit the labour camp once a week. The Surgeon General has suggested that the Local Fund Medical Officer, Hanur which is five miles from Ajjipuram may be asked to visit Ajjipuram once a week or oftener to attend to dangerous cases, and that ordinary cases may be sent to the Local Fund Dispensary, Hanur. He has recommended the payment of Rs.5/- per visit to the Doctor and has sought for Government sanction to the above suggestion. As medical aid is absolutely necessary I request that sanction of Government may please be accorded to the deputation of the Local Fund Medical Officer on payment of Rs.5/- per visit.

2. The cost on account of the above will be met from the provision under "Contingencies" in the estimate for the work.
